INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
Best Friends of Neenah-Menasha, Inc.
Neenah, Wisconsin

We have reviewed the accompanying statements of financial position of Best Friends of Neenah-Menasha, Inc. (A nonprofit organization) as of December 31, 2012 and 2011, and the related statements of activities, functional expenses, and cash flows for the years then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the reviews in accordance with *Statements on Standards for Accounting and Review Services* issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying 2012 and 2011 financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

Note 1. Summary of Significant Accounting Policies:

Nature of Activities

Best Friends of Neenah-Menasha, Inc. (Organization) is a not-for-profit corporation organized in the State of Wisconsin to help young people thrive through the power of mentoring friendships and supportive family networks. The Organization is supported primarily through donor contributions, grants and the United Way.

Basis of Presentation

The Organization's financial statements are presented in accordance with the requirements of the Non-Profit Entities Topic of the FASB Accounting Standards Codification. Under this Topic, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets include all net assets that are not temporarily or permanently restricted. The Patrick Began Memorial Fund is included with unrestricted net assets. These funds have been designated by the Board of Directors to provide scholarships for the educational attainment of the Organization's mentees.

Temporarily restricted net assets include contributed net assets for which donor time and purpose restrictions have not been met and the ultimate purpose of the contributions is not permanently restricted.

Permanently restricted net assets consist of amounts restricted by donors to be maintained by the Organization in perpetuity. There were no permanently restricted net assets at December 31, 2012 or 2011.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Concentrations of Credit Risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash deposits. The Organization generally limits its exposure to credit risk from balances on deposits in financial institutions in excess of the FDIC-insured limit. During the years ended December 31, 2012 and 2011, the Organization did not exceed the FDIC-insured limit.

Accounts Receivable

Receivables are written off when deemed uncollectible. No allowance for uncollectible accounts has been provided since it is believed that the amount of such an allowance would be insignificant.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Note 1. Summary of Significant Accounting Policies - Continued:

Available for Sale Securities

Available for sale securities are reported on the statement of financial position at fair value as of the date of the statement. Investments are recorded at fair value when received as a gift. All ordinary income and realized and unrealized gains and losses are accounted for on the statement of activities

Property and Equipment

Property and equipment are valued at cost or, if donated, at fair value at the date of donation. Maintenance and repair costs are charged to expense as incurred. Gains or losses on disposition of property and equipment are reflected in income. Depreciation is computed on the straight-line method based on the estimated useful lives of the respective assets.

The Organization has adopted the practice of capitalizing all equipment purchases greater than \$500.

Contributions and Unconditional Promises to Give

Contributions are considered to be available for unrestricted uses unless specifically restricted by the donor.

Unconditional promises to give cash and other assets are reported at fair value on the date that the promise is received. Conditional promises to give and indications of intention to give are reported at fair value at the date the gift is deemed to be unconditional. The gifts are reported as either temporarily restricted or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor-imposed contributions whose restrictions are met within the same year as received are reflected as temporarily restricted contributions and net assets released from restrictions in the accompanying financial statements.

In-Kind Donations

The Organization records various types of in-kind contributions including professional services, securities, equipment, and supplies. Contributed professional services are recognized if the services received (a) create or enhance long-lived assets, or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair market value when received. Other than donations of securities or fixed assets, the amounts reflected in the accompanying financial statements as in-kind contributions are offset by a like amount included in assets or expenses. In-kind services totaled \$7,829 and \$16,804 for 2012 and 2011, respectively.

Functional Expenses

Expenses by function have been allocated among program and supporting services based on estimates made by the Organization's management.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Note 1. Summary of Significant Accounting Policies - Continued:

Use of Estimates

Note 5. Tax Exempt Status:

The Organization, a voluntary health and welfare organization, is a not-for-profit, voluntary health agency exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization has been classified as an organization that is not a private foundation, and donations made to the Organization qualify for the charitable deduction. The Organization is also exempt from Wisconsin income taxes.

The Organization adopted the provisions of the *Income Taxes Topic of the FASB Accounting Standards Codification*. As a result, the Organization evaluates its tax positions based on whether or not the position is more likely than not to be sustained upon examination by taxing authorities. The Organization continually evaluates its tax positions, changes in tax law and new authoritative rulings for potential implications on its tax status. The Organization's federal tax returns are subject to examination generally for three years after filed.

Note 6. Major Funding Source:

The letter of credit expires December 31, 2015.

Note 8. Lease:

Rent payments are due in the amount of \$2,422.74 per month and are subject to annual increases, which shall be determined by a majority vote of the landlord's Board of Directors.

Note 11. Endowment Net Assets:

As required by GAAP (generally accepted accounting principles), net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Organization does not have any endowment funds subject to donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Directors of the Organization has interpreted the Wisconsin Uniform Prudent Management of Institutional Funds Act (WUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As noted in the previous paragraph, the Organization does not have any endowment funds subject to donor - restricted funds or a formal policy to address these funds. The Organization is discussing adopting a policy and plans to adopt one in the near future.

Return Objectives and Risk Parameters

The endowment funds are invested in a manner that is intended to preserve the real value of the capital while providing an income stream from it. The objective is to provide results similar to a benchmark consisting of 50% S & P 500, 40% Merrill Lynch 1-10 Year Gov't / Corp Index, and 10% Lipper Money Market index while assuming a moderate level of risk.

Spending Policy

The Organization has a policy of appropriating for distribution no more than 5% of its endowment fund each year based on a five-year average balance.

In establishing this policy, the Organization considered the long-term expected returns on endowment investments. Accordingly, over the long term, the Organization expects the current spending policy will allow its endowment to retain the original fair value of the gift.

Strategies Employed for Achieving Objectives

The Organization relies on a total return strategy in which investment returns are achieved through capital appreciation and current yield (interest and dividends). The Organization targets a diversified asset allocation to achieve its long-term objectives within prudent constraints.

Note 12. Fair Value Measurements:

As defined in the Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Assets and liabilities measured, reported and/or disclosed at fair value will be classified and disclosed in one of the following three categories:

Level 1 - Fair value measurement is based on quoted prices for identical assets or liabilities in active markets.

Level 2 - Fair value measurement is based on 1) quoted prices for similar assets or liabilities in active markets; 2) quoted prices for identical or similar assets or liabilities in markets that are not active; or 3) valuation models and methodologies for which all significant assumptions are or can be corroborated by observable market data.

Level 3 - Fair value measurement is based on valuation models and methodologies that incorporate at least one significant assumption that cannot be corroborated by observable market data. Level 3 measurements reflect the organization's estimates about assumptions market participants would use in measuring fair value of the asset or liability.

The fair value of the available for sale securities is based on published unit values reported to the Organization by Associated Wealth Management.

The fair value of funds held at Community Foundation for the Fox Valley Region, Inc. is based on information provided by the Community Foundation, and they have not historically adjusted this information.
